

“Lover Boy”

I'm not a playboy I'm a lover.  
I aim to be happy with my wife.  
I never really want to have another.  
But I'm just going on through my life.

No need for chocolates or some roses.  
Just only some hugs and a kiss.  
Not buying pretty things or proposes.  
Never cheating with any other miss.

Just singing songs for my lady.  
We're just having a little fun.  
Yeah I know she's driving me crazy.  
But she's really just the one.

Finish off our wedding with some doves.  
Now that's a sonnet all about love.
